YENNES

About Us

YENNES has expertise around all Tally products and has been selling, implementing, customizing and supporting customers all over India for more than 3 decades. As a 5 Star Certified partner of Tally, we cater to your complex or unique business requirements. With specialised skills, we build solutions (over and above the default Tally product) that are tailor-made as per your business segment and operations. We are one of the few Government and Very Large Account partners of Tally We have grown shoulder to shoulder with our principal company Tally Solutions Pvt Ltd . We have walked this journey of progress along with them, since our inception.
